## KEVIN BYNDER

### SOLSAN COMMISSIONED ARTIST

Kevin Bynder was born in Perth in 1975 to a Whadjuk-Yuet Nyungar Mother and a Widi-Badimia Yamatji Father.

He started painting at the age of 23 in Fitzroy Crossing before moving to Broome where he had his first art studio. In February 2020, Kevin made the decision to become a fulltime working artist and opened a studio/shop at Yagan Square in Perth. From here, he creates his art and speaks about his culture to local and tourists from interstate and overseas. Over the last four years Kevin has also worked at LaSalle Catholic College, helping teach Indigenous students from remote communities.

Kevin likes to donate his artwork to foundations and fundraisers to support the community and promote aboriginal arts and culture. As well as selling hundreds of canvases and painting multiple murals across Perth, his designs have appeared on the sporting guernseys of Australia's leading sporting codes. Some of his designs include:
