

MATRIX COMPOSITES & ENGINEERING SIGNS DISTRIBUTION AGREEMENT WITH TREDWELL AT ADIPEC 2025

HENDERSON, WA – 6 NOVEMBER 2025

Matrix Composites & Engineering is pleased to announce the signing of a new distribution agreement with Tredwell, a leading Malaysian energy solutions provider, at ADIPEC 2025. The partnership strengthens Matrix's presence in Southeast Asia and expands its global network.

Under the agreement, Tredwell will distribute Matrix's MAX-R™ low friction centralizer range across Malaysia, helping operators enhance well construction efficiency, safety, and sustainability.

The signing ceremony took place at ADIPEC, with Aaron Begley, CEO of Matrix Composites & Engineering, and Tengku Mohd Adam, CEO of Tredwell, formalising the agreement. Also in attendance were Redzuan Md Don, Chief Business Officer of Tredwell, and Tengku Zulfazli, Director.

"Malaysia is a key market for Matrix, and this partnership reflects our commitment to delivering innovative composite solutions to operators in the region," said Aaron Begley, CEO of Matrix. "We are excited to work with Tredwell to support customers in achieving operational excellence."

This agreement marks another milestone in Matrix's strategy to expand its global reach through strong regional partnerships, enabling localised support and faster delivery of advanced composite technologies.

Aaron Begley, CEO Matrix & Tengku Mohd Adam, CEO Tredwell, formalise a new distribution agreement at ADIPEC 2025.
